

Wilmington Middle School Band Practice Journal

Participation in Middle School Band requires that you practice your instrument a total of **one hour per week**. This time can be divided into 10 minutes a day, six days a week, or any other combination that works with your busy schedule. Because band is a graded class, practicing is your *homework*. Completed journals will not be accepted for credit without a parent or guardian signature.

Name: _____

Week of: MONDAY 5 5

Extra Credit
